Rainbow II

Picture Description¹⁾

Abstract long exposure of city lights and buildings at night with motion blur and vibrant colors.

Analysis¹⁾

This vibrant abstract photograph captures the essence of urban energy through intentional camera movement. Streaks of fiery orange and electric blue cascade across the frame, suggesting the blurred lights of a bustling city at night. The interplay of light and dark creates a sense of dynamism and motion, inviting the viewer to interpret the photograph as a sensory experience rather than a literal representation.
