16 m

Picture Description¹⁾

A black and white photograph shows a snowy landscape with a pole marked '16.0m' and its shadow stretching across the textured snow surface.

Analysis¹⁾

This black and white photograph presents a stark yet subtly detailed scene. A single, weathered post stands on the left side of the frame, with the inscription '16.0m' faintly visible. The ground is covered in a vast expanse of snow, its surface sculpted by wind and shadow into gentle undulations and sharp drifts. A long, dark shadow stretches diagonally across the snow-covered ground, originating from the post and adding a sense of depth and perspective to the photograph. The stark contrast between the light snow and the dark shadow creates a visually arresting composition.
