On Black II B

## Picture Description<sup>1)</sup>

Abstract photograph of blurred streaks of yellow and red light against a black background.

## Analysis<sup>1)</sup>

This abstract piece features dynamic streaks of light, primarily in shades of orange and yellow, against a stark black background. The composition creates a sense of movement and energy, suggesting a fleeting moment captured in a long-exposure photograph. The contrasting colors and diagonal lines draw the viewer's eye, inviting them to contemplate the relationship between light and darkness, motion and stillness.
