Tic Tac Toe

Picture Description¹⁾

A triptych featuring a women's restroom sign followed by two angled crosswalk patterns on dark asphalt.

Analysis¹⁾

This triptych presents a study in graphic simplicity and urban space. The top panel features a stylized female figure, reminiscent of a restroom sign, set against a dark, textured background. The stark white figure stands out, embodying a sense of direction or purpose. Below, the two panels depict intersecting white lines on a black asphalt surface, creating abstract X-shapes. The lines suggest movement and intersection, possibly evoking images of crossroads or airport runway markings. The overall aesthetic is minimalist and slightly weathered, lending a sense of lived experience and the passage of time.
