Red Blue Yellow on White I

Picture Description¹⁾

An abstract composition featuring red, white, blue, and yellow rectangles intersected by black lines, reminiscent of Mondrian's style.

Analysis¹⁾

This abstract composition features bold, geometric shapes reminiscent of Piet Mondrian's Neoplasticism. Rectangular planes of primary colors - red, blue, and yellow - intersect with large white spaces, all sharply delineated by thick black lines. The arrangement is dynamic and slightly off-kilter, creating a sense of tension and visual interest. The intentional blur adds a modern and unexpected twist to the classic style.
