Winter Lights

## Picture Description<sup>1)</sup>

An abstract photograph features blurred, orange lights scattered among dark branches against a muted background, creating a bokeh effect.

## Analysis<sup>1)</sup>

This photograph captures a dreamlike scene of illuminated orbs scattered throughout a dark, silhouetted tree. The circular lights, predominantly orange, create a bokeh effect that contrasts sharply with the stark branches. A muted, ghostly backdrop peeks through the spaces between the branches, adding an ethereal quality to the composition. The photograph plays with light and shadow, creating a captivating and somewhat mysterious atmosphere.
