Flyby Birds

Picture Description¹⁾

A silhouette photograph features pigeons perched on a rooftop with some in flight against a light background.

Analysis¹⁾

This striking silhouette depicts a flock of pigeons in stark contrast against a pale sky. Some are in mid-flight, wings outstretched and bodies poised, while others are perched atop a structure, creating a dynamic composition. The interplay of light and shadow emphasizes the birds' forms, evoking a sense of movement and freedom within the urban landscape.
