Raster I

Picture Description¹⁾

An abstract black and white close-up of a patterned metal surface with blurry and sharp lines.

Analysis¹⁾

This photograph presents an abstract composition of parallel lines formed by a series of black, rectangular shapes interspersed with white space. The sharp focus gradually gives way to a soft blur, creating a sense of depth and movement. The black and white contrast emphasizes the geometric patterns, while the varying degrees of focus introduce an element of dynamism and visual interest.
