Water Play XIV

## Picture Description<sup>1)</sup>

An abstract arrangement of blurred grey circles and semicircles against a soft, light background.

## Analysis<sup>1)</sup>

This photograph presents an ethereal composition of overlapping, blurred shapes against a soft, muted background. The forms, predominantly circular and semi-circular, appear to float and interact, creating a sense of dynamic movement and depth. The limited color palette enhances the dreamlike quality, inviting the viewer to contemplate the subtle interplay of light and shadow.
