A long shot depicts a street with a wall covered in graffiti and a wooden pallet leaning against it.

Analysis¹⁾

This photograph captures a gritty urban landscape, dominated by a long, white wall covered in layers of graffiti. The artwork ranges from simple tags and heartfelt messages to more elaborate, stylized designs. A wooden pallet leans against the wall on the right, adding an element of raw, unrefined texture. The overall composition evokes a sense of urban decay and the expressive energy of street art.
