Fall Colors XIII

## Picture Description<sup>1)</sup>

A low-angle shot of four trees with colorful leaves against a bright white sky.

## Analysis<sup>1)</sup>

This photograph presents a striking low-angle view of four towering trees against a stark white sky. The tree trunks are rendered in dark, textured hues, emphasizing their age and solidity. Above, the branches are adorned with leaves in vibrant, almost fantastical colors: greens, yellows, oranges, and reds, creating a dynamic interplay between the dark, grounded trunks and the light, colorful canopy. The overall effect is a sense of upward movement and a celebration of the vitality of nature.
