## Charging Bull III

### Picture Description<sup>1)</sup>

A bustling crowd gathers around the Charging Bull statue in New York City, with a double-decker bus visible in the background.

### Analysis<sup>1)</sup>

This sepia-toned photograph captures a bustling street scene centered around a bronze bull statue, likely the Charging Bull near Wall Street in New York City. The composition is densely populated with people, suggesting a popular tourist destination. The photograph's perspective offers a candid view of the crowd, with varying degrees of focus on different individuals, creating a sense of immersion for the viewer. A double-decker 'Big Bus' tour bus looms in the background, further emphasizing the urban and touristy nature of the location. The monochromatic palette adds a timeless quality, drawing attention to the interplay of light and shadow across the crowd and the architecture. The statue serves as a focal point, drawing the eye and suggesting themes of financial power and urban life.
