Series with Glass I

Picture Description¹⁾

A black and white portrait of a man in a dark turtleneck looking upwards with an open mouth in apparent surprise.

Analysis¹⁾

This black and white photograph captures a man in a moment of extreme emotion. His head is tilted upwards, eyes wide, and mouth agape in what appears to be a cry of surprise or shock. The harsh lighting emphasizes the contours of his face, and the deep shadows add to the intensity of the scene. He's wearing a dark turtleneck, which grounds the portrait and draws focus to his expressive face. Behind him, a wall with papers pinned to it suggests an interior setting, possibly an office or study. The overall effect is dramatic and unsettling, inviting the viewer to wonder at the cause of his sudden reaction.
