Neugut

## Picture Description<sup>1)</sup>

Black and white photograph of a street sign with 'Neugut-Str.' and 'Birchlen-Str.' on it, next to a building.

## Analysis<sup>1)</sup>

This black and white photograph captures a street corner in an urban environment. The primary focus is a street signpost displaying the names 'Neugut-Str.' and 'Birchlen-Str.' in bold blue lettering. Above the street signs, a round traffic sign with a 'no entry' symbol is prominently featured. The signpost stands in front of a modern building with a corrugated metal facade, characterized by rows of horizontally oriented windows with closed blinds. The overall composition creates a stark contrast between the signage and the architectural backdrop, emphasizing the urban landscape.
