Two Scratches

Picture Description¹⁾

A low-angle shot of trees framing a sky crossed by contrails.

Analysis¹⁾

This photograph captures a serene moment of nature juxtaposed with the evidence of modern transit. Two contrails stretch across a pale blue sky, framed by the verdant canopy of trees in autumn foliage. The composition invites contemplation on the relationship between the natural world and human activity, with a gentle, almost nostalgic filter lending a timeless quality to the scene.
