## Narrow Street II

### Picture Description<sup>1)</sup>

A black and white, low angle, high depth of field photograph captures a narrow street framed by aged buildings in monochrome.

### Analysis<sup>1)</sup>

This evocative black and white photograph captures a narrow European alleyway, the perspective drawing the viewer into its depths. On the left, stark walls punctuated by pipes and ventilation panels loom over a cobble path. The right side presents a textured facade, culminating in a weathered stone doorway, above which sits a small, dark number '14' sign. The overall effect is one of quiet mystery and timeless urban exploration.
