Street Lanterns VII

## Picture Description<sup>1)</sup>

A low-angle shot of colorful lanterns strung between buildings under a bright blue sky with wispy clouds.

## Analysis<sup>1)</sup>

This photograph captures a vibrant string of paper lanterns suspended between buildings, set against a bright blue sky streaked with wispy clouds. The lanterns, a spectrum of colors from white and purple to yellow and red, add a playful and celebratory atmosphere to the urban setting. Shot from a low angle, the architectural details of the buildings frame the sky, creating a dynamic composition that highlights the juxtaposition of urban structure and festive decoration.
