Two Goals on Greenfield II

Picture Description¹⁾

A grayscale landscape featuring a soccer field with two goalposts, surrounded by trees under an overcast sky.

Analysis¹⁾

This black and white photograph captures a desolate soccer field. In the foreground stands a weathered goalpost, its paint peeling and frame slightly askew. A second, smaller goalpost is visible in the distance, adding to the sense of loneliness and abandonment. The field itself is overgrown with grass, and the background features a row of trees under a cloudy sky. The overall effect is one of melancholy and quiet reflection, highlighting the stark beauty of a forgotten space.
